

CORENDON FOOTBALL CENTER IS OPENING AT A NEW LOCATION!

Our new facility, which provides all the amenities to meet the needs of football groups is now open to teams and tournaments across all league categories. With its central location, Corendon Football Center is just 3 km away from our hotel.

Here's what awaits you at our facility;

3 Grass Fields: High-quality, well-drained grass fields designed to meet all your training needs.

Training Stations: Various training and exercise areas for football practices.

Administration Building: A functional and stylish administration building designed to cater to all players' needs.

Comfortable Accommodation: Comfortable rooms to ensure players, technical teams, and groups can rest and recover.

We are delighted to offer you a perfect stay that combines an ideal training environment with accommodation to enhance your team's performance and tournament experience.

CLIMATE

The typical Mediterranean climate of the Antalya region stands out due to its warm summers and mild winters. While summer temperatures can rise to 36°C, winter is blessed with temperatures up to 20°C, thus making Antalya one of the few destinations in Turkey suitable for sports training throughout the year.
